

Dogwood Choice Board

Optional Learning Opportunities for our 5th Grade Dolphins!

April 20th-24th

Below are some choices to help you learn while you are at home.

You can share finished work on SeeSaw!

*Don't forget to check the GMSD website for additional resources & recommendations.

<p style="text-align: center;">Reading</p> <p>Read the article about the Amazon Rainforest from the link below. See if you remember all the facts by completing the reading activity connected to it!</p> <p style="text-align: center;">https://tinyurl.com/qwjue23</p>	<p style="text-align: center;">Vocabulary</p> <p>Use the link below to challenge yourself in a game similar to online Scrabble. Can you beat the high score of 100?</p> <p style="text-align: center;">https://tinyurl.com/wbpnbae</p>	<p style="text-align: center;">Writing</p> <p>Create a handmade card using supplies you already have at home for a hospital worker telling them how much their work is appreciated during this time. You can drop off your finished card in the box by the main entrance at Dogwood.</p>
<p style="text-align: center;">Math</p> <p>Create a math quiz with 10 to 15 questions on adding and subtracting with fractions. Be sure to include at least one multi-step word problem as well as an answer key. Share your quiz on Seesaw!</p> <p>Time yourself to see how long it takes you to complete each of the sprints in the link below. Be sure to check your answers!</p> <p style="text-align: center;">https://tinyurl.com/vxvapsaj</p>	<p style="text-align: center;">Science</p> <p>Create a balloon powered boat. Make sure you do this in a bathtub to avoid spills. An example can be found using the first link below. Go to Generation Genius (2nd link below) to watch the video and complete the activities on Balanced and Unbalanced Forces.</p> <p style="text-align: center;">https://tinyurl.com/kbrzqaf https://tinyurl.com/rueorhi</p>	<p style="text-align: center;">Social Studies</p> <p>Research one of the captains of industry listed on the link below. Create a PowerPoint Presentation, poster, or film a newscast to share about that person's life, business accomplishments, philanthropy, and legacy.</p> <p style="text-align: center;">https://tinyurl.com/alagloo</p>
<p style="text-align: center;">Library</p> <p>Fun with Fairy Tales: Create a list of well-known fairy tale characters. Who is your favorite? Imagine that character had a social media page. What would be the username, types of photos, hashtags, tweets? Using supplies around your house, design what their page would look like. Ex: Cinderella might hashtag #nothingtowear #toomanychores.</p>	<p style="text-align: center;">Music</p> <p>Let's build our own instruments! Here are some ideas and a Music Challenge for you!</p> <p style="text-align: center;">https://tinyurl.com/urygoi9</p>	<p style="text-align: center;">Virtual Field Trip</p> <p>Take a trip to the National Museum of Natural History! After viewing the museum, create a scavenger hunt of things to look for in the Natural History Museum. Include at least 10 items and a description of where you might find them.</p> <p style="text-align: center;">https://tinyurl.com/uzyltm5</p>
<p style="text-align: center;">Guidance</p> <p>Continue to focus on demonstrating acts of kindness this week. Remember to fill in your Daisy the Dolphin handout as you complete each task. You can post pictures to social media using the hashtag #DolphinsDoingGoodDeeds</p> <p style="text-align: center;">https://tinyurl.com/um2wkxk</p>	<p style="text-align: center;">Art</p> <p>Shadow Drawing: Use the link below to learn how to use everyday objects, such as toys, to create a work art. Try different types and sizes of objects as well as the type of things you draw. You can even try making shadowing drawings using chalk outside - look at buildings, human shadows, etc. Try experimenting with sizes of drawings too!</p> <p style="text-align: center;">https://tinyurl.com/yce3y62n</p>	<p style="text-align: center;">PE</p> <p>Get active using our fun family activity on our April calendar... see if someone else in your family wants to join you!</p> <p style="text-align: center;">https://tinyurl.com/swlnudb</p>

Other learning opportunities that we recommend include:

- Independent Reading
(30 minutes a day would be great!)
- AR Tests
- DreamBox Lessons
(about 2 per day or 8 per week)
- Practice Math Fact Fluency
